The only exception is a life-threatening emergency and I understand, if possible, I must first attempt to notify my Probation Officer immediately. If my Probation Officer is not available, I will notify the Lake County Juvenile Center at 769-4664. 2. Telephone calls will be made to my residence at random times of the day or night. The time and number of calls may vary and may be made at any time.
3. Unscheduled home visits may be made at any time of the day or night to ensure my compliance with the Intensive Probation Program. Representatives of the Probation Department will be allowed inside for the purpose of checking the child's room.

8. I understand that any violation of the program could result in my apprehension and transportation to the Lake County Juvenile Center.
